Subject: Designation as Sawyer Instructor and Sawyer Evaluator

To:

This letter designates Greg West as a Sawyer Instructor and Sawyer Evaluator for the Southern Region, R8. Greg West can train and evaluate sawyers the A, B and C level. The role of the Sawyer Instructor/ Evaluator is critical to maintaining a high level of saw skill and expertise with sawyers trained in the R8 saw program. Instructors will ensure operators are trained and evaluated properly, and that all sawyers meet the stringent standards required of their level of certification. This letter of designation is good for three years from date of issue.

Specific responsibilities are:

1. Instruct at the skill level commensurate with their saw qualifications and recommend that sawyers who have successfully completed the requisite NRSTCs be evaluated for certification.
2. Conduct sawyer training using approved training material.
3. Confer periodically with the Regional Saw Program manager to stay current on latest issues and training material
